DJG Consulting celebrates a decade of providing exceptional recruitment solutions to a leading Private Equity firm

Paris, France - DJG Consulting, the Recruitment & Executive Search firm based in Paris, is proud to announce the successful placement of an outstanding bilingual Executive Assistant at one of Europe's most prestigious private equity firms known for its strategic investments and market-leading performance.

DJG Consulting has been providing recruitment solutions to this client for over a decade (the first candidate placed with the client over ten years ago remains with the firm), a testament to the consistent high standards offered by the firm. The partnership has flourished over the years, with DJG Consulting supporting the client's exponential growth during this time.

The recently placed bilingual Executive Assistant has a background in international law and private equity, with exceptional academic credentials and a proven track record of excellence. The lead consultant on this project proactively sourced the candidate through a direct approach, and thoroughly prepared them for interviews at each stage. The consultant also provided excellent references, successfully competed on behalf of our client against interest from several other companies, and adeptly negotiated the contract.

This placement is a testament to our thorough understanding of the market, consistent high standards and commitment to excellence. Our Support Functions team allows our clients to continue to grow and thrive in increasingly competitive markets.
